GEORGE W. ANGELL

Successful teaching is a pinnacle in human achievement. No profession is more demanding of talent, energy, and heart. As a science, teaching requires continuous research for new meanings among a vast knowledge of academics and humans. As an art, it challenges the most inventive genius to help create new and lofty visions in young minds and hearts. It is obvious that young people planning to become teachers must have the superior

quality of collegiate education so well exemplified at Plattsburgh.

The CARDINAL vividly portrays the college life which so broadly and systematically prepares each student for this most challenging of all professions. As the years go by, the CARDINAL will become a treasure chest of memories. It is my personal hope that these memories will inspire you to continue a personal interest in your college.

Welcome

This year our college begins a new era in its history under the presidency of Dr. George Angell. We sincerely hope, Dr. Angell, that you will enjoy your years at Plattsburgh as much as we are enjoying ours.

Within the pages of our *CARDINAL*, we have tried to capture the spirit of Plattsburgh—our classes, our activities, our many friendships. This

"treasure chest of memories" will serve to re-create the happy years in which we prepared for our careers and will remind us of the memorable day you came to our campus.

We, the faculty, students and staff of Plattsburgh, welcome you, Dr. George Angell, and offer our sincere wishes for a long and happy association with our college—your college.

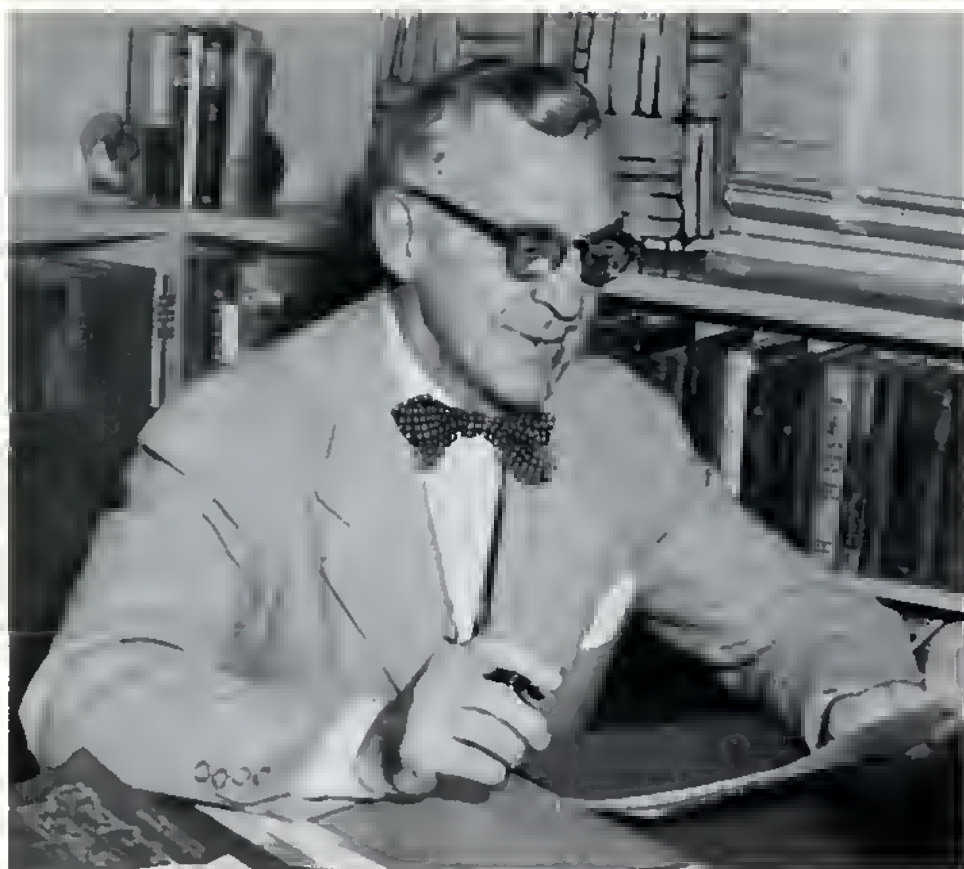

Dedication

As the United States grew, so did its schools, striving to produce citizens capable of living in and working for a true democracy. Within the early one-room schoolhouse the pupils dutifully recited the alphabet and the 3 R's; within our schools today the pupils grow emotionally and socially as well as intellectually. Such a change is but another stage in the development from a "little red schoolhouse" to the large and complex university of which our college is a part. It is this inspiring transformation that should prompt us, as teachers of tomorrow, to attain even higher goals and standards.

The "little red schoolhouse" is now but a fond memory to most of us. From this humble beginning, our educational system has grown to what it is today. To this symbol of education, we, the Junior Class of 1954, dedicate our CARDINAL.

Junior Class

The class of 1955 entered the portals of Plattsburgh State with a record initial enrollment. Though our numbers fell somewhat, our spirit and enthusiasm steadily increased, as we added innovations and contributions to our alma mater.

Our three years have been highlighted by the origin of our — Albany Newsletter, Sophomore Sounding Board, class caroling, Sophomore Soiree Weekend, and the addition of a nurse-teacher to our Junior Court. An outstanding Junior Week climaxed a hearty participation in all traditional college activities.

Our gains have equaled our contributions, and we believe that our "big" little class will leave a lasting impression on Plattsburgh State Teachers College.

Mr. Philip C. Walker, Class Advisor.

This year "Zenla" has been active in the Home Economics, Footlights, Internal Relations, and Glee Clubs. She was also Junior delegate to the Foster Child Committee.

"Massa" graduated from Kyoyitsu University in Tokyo. She particularly likes the friendly spirit in Plattsburgh and hopes to spend another year studying at this College. Aside from writing articles for a Tokyo magazine and newspaper, she has participated in the Home Economics and International Relations Clubs.

We have gained much from their acquaintance, and it is our sincere wish that they have also received enriching experiences and retained many lasting memories.

Seniors

In their last college year, filled with final classes and the all-important practicum, the senior's class activities, held at the year's end, included their picnic and class day program, the Senior Banquet and their dance of the year, the Senior Ball. On June 13th, our graduates marched down the aisle to "Pomp and Circumstance", proud of their well earned diplomas, regretfully ending the most memorable years of their life.

Sophomores

Class of '56

The Members of the Class of 1956 have proven themselves to be outstanding workers and leaders at P.S.T.C. They began their college career with Freshmen hazing, a necessary evil, taken in good spirit. Their class dances and the Freshmen-Sophomore Picnic are but a few examples of their many successes.

At the halfway mark of their college career, the sophomores can look back happily to past accomplishments and ahead to a bright future.

Freshmen

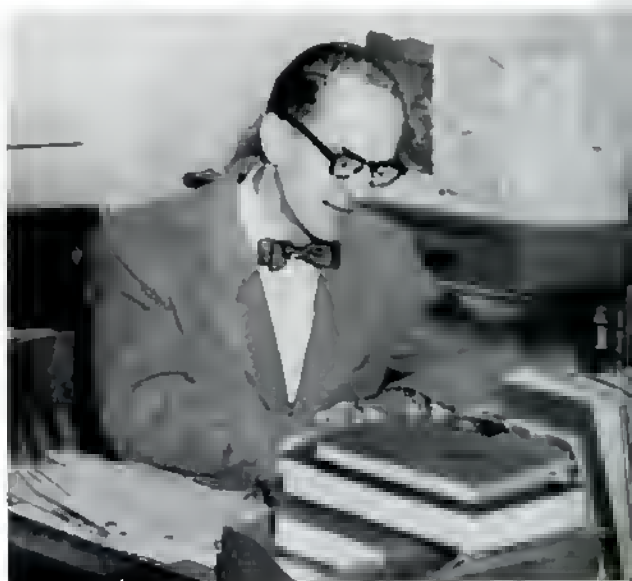

Class of '57

ADVISER

Dr. Allan Everest

Though the Freshman Class is just beginning its four years at College, it has already achieved a lasting place in the social and scholastic fields of student life. Initiation by the Sophomores began an eventful year during which the Freshman Class got into the "swing of things" with its annual dance and made new friendships at their Freshman-Sophomore Picnic. The Freshman year was climaxed when, on class day, after singing their class song, they doffed their beanies, thus symbolizing the year's achievement.

It is sincerely hoped that the class will achieve, in the fields of education, that which its past accomplishments have promised.

Home Economics students have the opportunity to broaden their knowledge socially through the Home Economics Club. Students, school, and community benefit from the activities of this organization.

The year's activities included a Coffee Hour and initiation for Freshmen, the Christmas tea, and an all-college Buffet Supper. Other activities included the sponsorship of Girl Scout troupes, and attendance at Boston, Syracuse, and Cornell conferences.

Such speakers as Xaviere de Casabianca, French student here on AHEA and college scholarships, and Mrs. Mildred O. Meskill of the State Department of Commerce contributed to a most active and enriching club year.

The Nurse-Teacher Club presents programs of both professional and recreational nature. Excellent lectures on army nursing and art as well as work at the Plattsburgh County and Vilas Home helped to round out the professional education of the members. Recreationally, the S. N. T. Club innovated a St. Patrick's Day Dance and carried on their annual Brunch and Easter Tea. The spring picnic ended an enjoyable and valuable year for the nurses.

Interfraternity Council

The Council, composed of members from the fraternity and three sororities, meets twice every month and works to promote unity by regulating rushing, pledging, and initiation.

The Council's duties are highlighted by the Inter-fraternity Tea at which members of the fraternal organizations acquaint themselves with other interested students. Early in December, the Council planned an Interfraternity Dance, and with the cooperation of both fraternity and sororities it was a huge success.

A picnic entertaining the DKD's, the Pledge Banquet, Inter-fraternity tea and dance, and

various worthwhile community projects helped make the year an active one for the AD's.

Concluding the year's activities, they held an Alumni breakfast and feted the seniors at the Farewell Banquet.

Highlighting the active Ago year was the state convocation of all sister chapters at Plattsburgh. The second annual Spook Party pleased all who attended as did the "Club Ago" rush party and the Delta Kappa Delta entertainment.

New members were welcomed at the Pledge Banquet, and proved their worth during the rigors

of "Hell Week." Agos also contributed to the successful Inter-fraternity Dance and Tea and then, bid farewell to their Seniors at the Dessert Hour.

Through their varied activities the Agos have strived to promote understanding, self-sufficiency and cooperation between themselves and their fellow students.

Delta Kappa Delta is the new local fraternity on Plattsburgh's campus as a result of the ban which was placed upon National Fraternities. Although the ban came as a hard blow, the men of the college were quick to recover and have shown action which brought excellent results and point to a successful future as a local Fraternity.

The year began with the DKD's giving their annual party to the men of the college, showing the new freshmen and the whole college their ability to work as a well coordinated organization.

Events in the spring included pledging, hazing, and initiation of new members, followed by the annual Fraternity Tea.

Under the competent direction of Professor Paul Hartman, Footlights Club is one of the most active organizations on the campus.

The ceremony of admitting new members and awarding gold and silver pins for service to past members opens a busy year for the footlighters. In order to develop a working understanding of the theatre, workshop plays are presented at the bi-monthly meeting by and for the members. Besides sponsoring two major dramatic productions each year, Footlights Club is also responsible for the technical and non-singing parts of the Christmas Pageant.

Band

Under the direction of Mr. Davidson, the band has done much towards enriching the extra-curricular life of the College.

The Concert Band appeared in the Winter Concert and played at the Junior Coronation and at Class Day activities.

The Pep Band has helped to heighten the school spirit at the home basketball games with their lively music. This group consists of the regular band members who give generously of their time and talent to play at the games.

Another segment of the regular band, the Brass Ensemble, is composed of four members of the regular band. This active group has participated in the Thanksgiving Program, the Winter Concert and the Vesper Sing.

Orchestra

The Orchestra made many major contributions to our collegiate life this year. Its fifteen members, under the baton of Mr. Brehm, deserve to be commended for their excellent performances.

Their first appearance was at the Thanksgiving Concert, and was then followed by the Vesper Sing during Christmas week. In the spring the College presented two short operettas, "Down in the Valley" and "Trial by Jury". The Orchestra did much towards making this program the success that it was. Climaxing their year was the memorable music at the Baccalaureate service.

Glee Club

The membership rolls of the Glee Club are open to all girls interested in singing.

Under Dr. Yokum's competent direction, the Glee Club was active in many musical activities throughout the year. Numbered among these was the Christmas Pageant in which they participated along with the Mixed Chorus. The Winter Concert was also listed among their activities for this past year.

Their interesting and informative portion of the Science Fair is another example of their many activities concerning photography and dark room procedures.

Modern Dance

The full-length program of the Modern Dance Club well illustrated the purpose of the club. Their unique interpretations of Man's Progress Through the Ages expressed the theme exceedingly well. Under the capable guidance of Dr. Backus this club has become an integral part of our College life and has produced many capable and talented dancers.

Later in the spring a portion of the club's artists participated in the operettas presented by the Music Department.

Athletic Board

It is the responsibility of the Athletic Board, composed of class representatives and a faculty adviser, to serve as a financial guide for all athletic and recreational activities.

Not only does this Board provide an active inter-collegiate schedule, but it is rapidly building up an intramural program for both men and women.

Another function of the Board is to present

the annual Athletic Banquet to the entire college. On this occasion all athletic awards are given to deserving men and women who have earned these merits.

This Board should be commended for their conscientious selection of the enthusiastic cheerleaders who have added so much spirit to our athletic program.

Coached by Joe Jastrab and captained by "Big" Jim Sears the 1953-54 Cardinal "hoopsters" treated the fans to a very exciting season of basketball.

Aggressive ball handling, few personal fouls, spectacular shooting, and the best available brand of team spirit and good sportsmanship sparked the "Red Birds" to the best record that a Plattsburgh State cage team has ever compiled.

The towering — 6' 2½" average — Cardinals assured themselves and their avid fans of a triumphant season when they downed their Albany Teacher rivals on the Plattsburgh court.

Next year's team will be without the services of Captain Jim Sears, Doug "The Cat" Mehne and Art "Speedy" Ryan, but the remaining men and the unique Plattsburgh spirit will help Coach Jastrab to produce his second winning team.

Junior Varsity Basketball

J.V. Coach and Managers

Left to Right: Harvey Garrow, Coach Alfred Light, Bruce Walker.

The "Little" Cardinals have been maintaining the tradition of top flight basketball which the school has always witnessed. Off to a good start and with continued success throughout the season they have upheld the records established by past J.V. teams.

The enthusiasm shown by both students and cheerleaders was comparable only to the team's fine spirit throughout the entire season. Excellent playing, good sportsmanship, combined with a fighting spirit, true of any P.S.T.C. athletic team, made up a successful season for the Junior Varsity. We point with pride to these men who kept pace with the high standards and good spirit set up as a criteria at this college.

The Soccer Team under the leadership of its new coach, "Mr. Joe", played well throughout the season, gaining many new fans for P.S.T.C. Many new faces appeared on the field this year, and although their record stands at 2 wins and 5 losses, all games were closely contested.

The future of the "Redbirds" shows promise of many successes on the playing field. Although much of the backfield strength will be lost via graduation, the entire front line, the highest scoring in P.S.T.C.'s history, will remain intact for the next two years.

Coach Ed "Doc" Wiley's eighth year as head of the baseball "Cardinals" proved to be one of the most successful attempts at the national sport in the history of baseball at P.S.T.C. With freshmen rookies supporting veteran fire-baller, Gil Burnell, the Red Birds faced the toughest schedule in their career and came out on the topside.

Seniors, Art Ryan, Clarence Yando, Doug Mehne, Jim Sears, and Mal McIntyre, played in their last season for Plattsburgh, but the capable reserves are eagerly awaiting their place on the diamond when next spring's command is to "Play Ball!"

CARDINAL STAFF

We, the members of the CARDINAL staff, feel that our work on the CARDINAL has been one of our most enjoyable and enriching experiences. Granted this responsibility and honor by our classmates, each staff member has strived to produce a book symbolic of life at P.S.T.C.

The selection of a significant and appropriate theme for the '54 CARDINAL was our initial task. Then began the long hours of research, photography, composing, editing and proof-reading under the able guidance and direction of our adviser, Dr. Everest. We are proud to be the first CARDINAL to feature our new President Dr. Angell and to introduce the male members of the Junior Court.

With the completion of this book, it is our sincere hope that you, the reader, will derive as much pleasure and enjoyment from refreshing and recalling all the memorable events of this past college year as we have.

*Dr. Everest -
is sorry this little work
is so late - Thank you
all your help with the 1954
CARDINAL. Names will forget this
"little" job. Hope to
see you in the future.
